

State of Wisconsin Investment Board

Fact Sheet

The State of Wisconsin Investment Board (SWIB), created in 1951, is responsible for managing the assets of the fully-funded Wisconsin Retirement System (WRS), the State Investment Fund (SIF), and other state trust funds.

One of the largest U.S. public pension funds, SWIB manages more than \$162 billion in assets and serves over 692,000 beneficiaries of the WRS.

Board of Trustees

SWIB is governed by a nine-member Board of Trustees that determines the asset allocation, performance benchmarks, and the annual budget.
